Fundamentalz Summer Sports Camp

York Mills Collegiate Institute

July 9th - July 27th, 2007

9 a.m. to 4 p.m.

We are extremely proud to present the upcoming 2007 **Fundamentalz Sports Day Camp**. As an extension of our lunchtime and after-school sports and mentorship programs (including basketball, soccer, languages and crafts), we are presenting a summer camp that will run daily from **July 9th through July 27th**.

The **Fundamentalz Sports Day Camp** builds on our commitment to offer children a variety of sporting and recreational activities in a mentor-based environment that is encouraging, empowering and, most importantly, fun. In the three-week Fundamentalz camp (with optional single-week enrollment), students will participate in organized drills, games and activities including basketball, soccer and theme-based team challenges (Amazing Race, Survivor etc.).

Our camp has been designed to ensure that participating children are exposed to a wide variety of skill-, character- and esteem-building activities in a safe, comfortable and enjoyable environment. Our qualified staff and thoroughly planned activities support our commitment to providing children and their families with the best possible summer program.
